## Minutes From The January Meeting

From Notes By Louis Donaghue

The January meeting of the PBCW was called to order by new president Eric Williams. Eric welcomed the attendees acknowledging especially the new members and guests.

Eric introduced January demonstrator Tim Rowe who showed the club how he turns a Saturn box.

Tim used side grain mahogany to turn his box because it gives more strength to the thin ring.

After the demonstration the club took a break from 10:10 to 10:30 while the meeting room was cleaned.

The club will have a booth at the craft show March 26 to 27 in Royal Palm Beach. That will be the same weekend as the PBCW March meeting. Members interested in taking part and presenting their turnings for sale should contact show committee chairman [Gerhard Schwenke](#) before March 1.

This year's Mounts Botanical Garden Spring Show and Sale will be a week earlier than usual in order to keep it from falling on Easter weekend. This means that the show will not fall on the same weekend as the PBCW April meeting. The show will be April 16 and 17. Interested members should contact [Gerhard](#) before April 1.

Tim Rowe is trying to arrange demonstrations by Trent Bosch and Stewart Mortimer.

The Woodcraft store in Pompano will be closing in April, the Goldcoast woodturners are looking for a new place to hold their meetings. If you can help contact [Lee Sky](#).

Tim Rowe mentioned a wood alert about mahogany being cut down off Hypoluxo and to go after the meeting to get it

Tim Rowe won the this month's bring back raffle. He received a salt shaker turned by November winner Wayne Veit.

The 50/50 raffle was won by Jerry Bassett. Instant gallery presentation was led by John Buso. Photos of the gallery begin on [page two](#) of this newsletter.

President Eric Williams adjourned the meeting at 11:30.

January Bring Back Raffle winner Tim Rowe received a salt shaker turned by November winner Wayne Veidt.

## Woodturning Scholarships Available

Anyone interested in receiving financial assistance from the PBCW to attend a recognized woodturning course may apply for a grant in the amount of \$250 or \$500 to assist with expenses. To apply for a grant simply complete a grant application and give it to a member of the education committee. The education committee members are: [Bill Jones](#), [Brian Rosencrantz](#) and [Al Gruntwagin](#). In return for the aid the scholarship winner must agree to provide one or two demonstrations for the club at regular meetings during the year following attendance at the course. Eligibility for the scholarships will be judged by the club's education committee.

### A Note From The Editor

I would like to express my thanks to those who made this newsletter possible. The meeting minutes were written from notes taken at the meeting by Louis Donaghue. The Photos and credits for the gallery were taken by Stephen Hlasnicek.

As many if not all of you know I have taken a new job in St. Augustine. It is a good position working with good people and I am enjoying my work as I have not done for several years.

Unfortunately this means that I may not be able to attend board meetings on a regular basis. I have therefore recommended to the board that someone be found to fill the office of secretary for the remainder of my term.

I do expect to be able to make most regular meetings and to continue to publish this newsletter at least for the next year or more.

I want to thank the club for the confidence expressed in me by my inclusion on the board for several years. I hope that I have been able through my service to return a part of what the club has given to me as a member.

Brian Rosencrantz
